Critics can’t stop raving about this show! *The Knoxville News Sentinel* declared it “...historical and magical...Some magic can happen only once. But being able to witness it as it happens is a wonderful thing.”

“The unlikely pair’s harmonies and chemistry were something to behold” said Brett Milano of the *Boston Herald*.

“Pure genius” proclaimed Peter Cooper of the *Tennessean*, “ No act has ever had the commercial heft, musical depth and expansive vision that would enable a tour through major venues that includes authentic and powerful versions of songs from Zeppelin’s “Black Dog” to Doc Watson’s plaintive “Your Long Journey.”

Band members for the tour include T Bone Burnett (guitar), Jay Bellerose (drums & percussion), Dennis Crouch (bass), Buddy Miller (guitar) and Stuart Duncan (fiddle, mandolin and other instruments).
